

Please make your tax-deductible donation payable to Armada High School.

A donation of ...

- \$300 buys a complete uniform
- \$185 buys a jacket
- \$75 buys a middle school blazer
- \$50 buys a shako hat
- \$35 buys a pair of trousers
- \$15 buys a plume
- \$3 buys a pair of gloves
- \$40,000 outfits both bands with full uniforms, rain gear and garment bags

No matter what you can give, your donation will be used to purchase band uniforms that will last for the next two decades.

Don't delay! To ensure the manufacturer has time to make 100 uniforms, we must place the order in April and collect all pledges and donations by March 31, 2012.

It's time to  
bring Armada's  
band uniforms  
into the new  
millennium!

Dear Armada Community,

Armada's music boosters are initiating a campaign to raise funds for the purchase of new high school marching band and middle school concert band uniforms. Your consideration for assisting us to meet the needs of these young musicians will be greatly appreciated (especially in this difficult time of limited public school resources).

Sincerely,

Arnold A. Kummerow, Ph.D.  
Superintendent, Armada Area Schools

Our Marching Tigers have been performing in the same uniforms since 1983 (the year Armada's band program was reinstated). Our uniforms are so old we can no longer purchase additional ones to address our growing numbers. They have become threadbare, are fraying, and are almost impossible to repair. This year the Marching Tigers did not have enough uniforms to outfit every band member. Twenty-five incoming freshmen will be entering our program in September with no uniforms available. To properly outfit our Marching Tigers, we must purchase 100 uniforms at approximately \$300 each.

Our growing middle school bands and orchestras are also in need of uniforms. Presently students wear parent-provided clothing. \$75 will purchase a uniform blazer for our students as they positively represent Armada Schools at concerts and competitions.
