

Dear Students and Parents:

Once again we will be offering a summer lesson program at Armada High School. We have been amazed at how much we have improved and grown from students taking lessons last year. In Armada, it is difficult for students to take private lessons because teacher and music stores are so far away and lessons can be very expensive. Since we realize the importance of students studying privately, we are offering lessons on site at a reduced rate.

We have yet to set a schedule until we get an idea of interest, but last summer, lessons were midweek between 9AM and 3PM. The cost will be \$10 for a half hour lesson and \$15 for an hour.

Lessons available on the following instruments:

All levels: Flute, clarinet, saxophone, trumpet, trombone, baritone/euphonium, violin

Beginner level only: Piano, voice, guitar, drums/percussion

If you are interested in this great opportunity, please return the following form to your director as soon as possible. Thank you very much!

Mr. Loveday
