## ANNUAL RED CROSS BLOOD DRIVE

The Music Boosters is hosting it's third annual "*Bleed for the Band*" blood drive hosted by the American Red Cross on June 1, 2012 from 1 pm to 7 pm in the High School Auxiliary Gym.

The award level for this event is \$500 to \$1,750 based on useable units of blood received. Minimum collection requirement is 50 useable units. Our goal is to collect 150 useable units of blood.

We collected 52 usable pints of blood in 2011 and were awarded \$750.00. The proceeds from the annual blood drive support the cost of musical scores for the entire music department.

The Red Cross encourages donor appointments, therefore sign up sheets will be available at all Spring Concerts.

Please come out to support two great organizations.

Contact Maria Cefali, Blood Drive Coordinator, for more information at [rockenria@gmail.com](mailto:rockenria@gmail.com).
