Annual Fruit Sale Starts 10/01/10

It's never too early to start thinking about juicy oranges and grapefruit from sunny Florida.

The music department will conduct this popular fundraiser effective 10/01/10.

Delivery of the fruit will take place between 11/14/10 - 11/20/10. What a great gift just in time for the Thanksgiving Day holiday.

Forms will be distributed to all MS/HS music students in class.

Students...please remember to ask your teachers or other Armada School Staff if they would like to participate in the fruit fundraiser.

Other Successful Fundraisers:

The fair parking, fair barns, and blood drive were all successful fundraisers completed during the month of August. These events help sustain important activities throughout the entire school year, as well as offer the students an opportunity to earn money for trips or musical supplies.

Some of the proceeds covered instructional costs incurred for band camp. New flags were purchased for our Marching Band Flag Corp. The marching band uniforms were also professionally cleaned for the season and will be cleaned again at the end of the season in preparation for next year.

Thank you to the Armada School District for the use of the Macomb Academy of Arts and Science for fair parking.

Thank you to the Armada Fair Board for the opportunity to work on the fair barns.

Thank you to Diamond Cleaners of Richmond for giving the marching band a discounted rate and also providing pick up and delivery service. Check out the Armada Marching Band at Homecoming.
